YI JINN INDUSTRIAL CO., LTD 2023 Business Report

After the pandemic, we are now facing armed conflicts between Israelis and Palestinians, Russians and Ukrainians, and Red Sea region of the Middle East, further increasing the barriers to international trade and making it impossible to effectively manage and develop inflation and consumption patterns. Business competition through globalization has entered another stage, with regional trade barriers and protectionism gradually emerging, breaking the globalized supply chain of division of labor and cooperation. Therefore, we need to be more agile in product development, business model and operation management in order to overcome the challenges. In the supply chain of the textile industry, the only way is to continue to promote the vertical integration of upstream, midstream and downstream and the expansion of the horizontal value chain., at the same time, to integrate the market trend, from the development of materials, design and create differentiated quality products; in order to enhance the value-added, and drive the revenue and gross profit to grow valueadded. In addition, the United States and Europe have imposed a border carbon tax, therefore, in the textile production process, we can only reduce and decarbonize the carbon, improve efficiency to reduce production costs, in order to improve competitiveness. We will continue to follow our social and environmental responsibilities, and establish and develop the use of recycled textiles in an innovative way, in order to reduce global warming impact on the environment and ecology.

The current main production business of the Company includes polyester yarn produced by the subsidiary "Hung Chou Fiber Industry Co. Ltd." and polyester textured yarn produced by Kwang Ming Silk Mill Co. Ltd., and high gross margin industry webbing and the stable rental income are the main operation income of the parent company "YI JINN INDUSTRIAL CO., LTD".

Independent Auditors' Report

To the board of directors

Yi Jinn Industrial Corp., Limited.

Opinion

We have audited the accompanying parent company only financial statements of Yi Jinn Industrial Co., Ltd., (the "company") which comprise the parent company only balance sheet as of December 31, 2023 and 2022, and parent company only statements of comprehensive income, changes in equity and cash flows for the years ends December 31, 2023 and 2022, and the notes to the parent company only financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying parent company only financial statements represents fairly, in all material respects, the parent company only financial position of the Company as of December 31, 2023and 2022, and its parent company only financial performance and its parent company only cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the International Financial Reporting Standards(IFRSs). International Accounting Standards(IASs), IFRIC Interpretations (IFRIC), and SIC Interpretations(SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China. **Basis for opinion**

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the audit of the parent company only financial statements section of out report. We are independent of the Company in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China and we have fulfilled out other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in out audit of the parent company only financial statements for the year ended December 31, 2023. These matters were addressed in the context of our audit of the parent company only financial statements as a whole and forming our opinion thereon, and we do not provide a separate opinion on these matters. Key audit matters for the company's parent company only financial statements for the year ended December 31, 2023 are stated as follows:

1. Product sales receipts are recognized

Please refer to Note 4 (14) "revenue recognition" and for more details please refer to Note 6 (18) "revenue from contracts with customers" of the parent company only financial statement. Description of the key audit matters:

The revenue from processing silk and plain weave fabric products is the main source of operating revenue of Yi Jinn Industrial Co., Ltd., and the risk is in the authenticity of revenue recognition. Because the operating revenue is highly affected by the economic fluctuations, the test of revenue recognition is determined as one of the key audit items for the accountant to audit the financial reports of Yi Jinn Industrial Co., Ltd.

According to the auditing procedure:

Our audit procedures for the above critical review items included understanding the controls over the sales and receipts cycle and reconciling the sales system information with the general ledger: we tested the sales transactions for the period before and after the end of the year, reviewed the

evidence of transfer of control of the goods to the buyer, and verified the correctness of the revenue recognition period in order to assess whether the revenue recognition policy of Yi Jinn Industrial Co., Ltd., was in accordance with the relevant standards.

Responsibilities of Management and those Charged with Governance for the Parent Company Only Financial Statements

Management is responsible for the preparation and fair presentation of the parent company only financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and for such internal control as management determines is necessary to enable the preparation of parent company only financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the parent company only financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operation, or has no realistic alternative but to do so.

Those charged with governance (Audit Committee) are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the parent company only financial statements

Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent company only financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the parent company only financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material disclosure in the parent company only financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the company to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the parent company only financial statements, including the relevant notes, and whether the parent company only financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities for business activities within the company to express an opinion on the parent company only financial statements. We are responsible for the direction, supervision and performance of the audit, and forming our audit opinions of the Company.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to affect our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the parent company only financial statements for the year ended December 31, 2023 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonable be expected to outweigh the public interest benefits of such communication.

Independent auditor's report

To the board of directors

Yi Jinn Industrial Co., Ltd.

Opinion

We have audited the accompanying consolidated financial statements of Yi Jinn Industrial Co., Ltd. and its subsidiaries (the "Group"), which comprise the consolidated balance sheets as of December 31, 2023 and 2022, and the consolidated statements of comprehensive income, changes in equity and cash flows for the years ends December 31, 2023 and 2022, and the notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements represents fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2023 and 2022, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the International Financial Reporting Standards(IFRSs), International Accounting Standards(IASs), IFRIC Interpretations (IFRIC), and SIC Interpretations(SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the audit of the Consolidated Financial Statements section of out report. We are independent of the Group in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China and we have fulfilled out other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in out audit of the consolidated financial statements for the year ended December 31, 2023. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and un forming out opinion thereon, and we do not provide a separate opinion on these matters. Key audit matters for the Group's consolidated financial statements for the year ended December 31, 2023 are stated as follows:

(1) Revenue recognition

Please refer to Note 4 (15) "revenue recognition" and for more details please refer to Note 6 (18) "revenue from contracts with customers" of the consolidated financial statement.

Description of the key audit matters:

The revenue from polyester yarn, polyester processing silk, Tetoron and plain weave fabric products is the main source of operating revenue of Yi Jinn Industrial Co., Ltd., and the risk is in the authenticity of revenue recognition. Because the operating revenue is highly affected by the economic fluctuations, the test of revenue recognition is determined as one of the key audit items for the accountant to audit the financial reports of Yi Jinn Industrial Co., Ltd.

How the matter was addressed in our audit:

Our audit procedures for the above critical review items included understanding the controls over the sales and receipts cycle and reconciling the sales system information with the general ledger; we tested the sales transactions for the period before and after the end of the year, reviewed the evidence of transfer of control of the goods to the buyer, and verified the correctness of the revenue recognition period in order to assess whether the revenue recognition policy of Yi Jinn Industrial Co., Ltd., was in accordance with the relevant standards.

(2) Inventory valuation

For accounting policies related to inventory evaluation, please refer to Note 4 (8) Inventory Recognition in the consolidated financial report; For the uncertainty of accounting estimates and assumptions in inventory evaluation, please refer to Note 5(1) of the consolidated financial report for details; For the description of inventory evaluation, please refer to Note 6(6) inventory of consolidated financial report. Description to the key audit matters:

Due to the fluctuation of international raw material prices and market supply and demand, the Group's inventory price and sales volume may fluctuate sharply, resulting in the risk that the inventory cost may exceed its net realizable value Therefore, we determined that the assessment of inventory valuation is a key audit matter.

How the matter was addressed in our audit:

Our principal audit procedures included: understand the management's inventory management and evaluation policies and whether such policies were performed in actual inventory management and evaluation. Conduct a sampling audit process to test the reasonableness of the net realisable value adopted by the management and the correctness of the inventory age table, and to assess the adequacy of the inventory allowance for the Group at the financial reporting date.

Other Matter

We have also audited the parent company only financial statements of Yi Jinn Industrial Corp., Limited as of and for the years ended December 31, 2023 and 2022 on which we have issued an unmodified opinion.

Responsibilities of Management and those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statement in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the IFRS, IAS, IFRIC, and SIC endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for

assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operation, or has no realistic alternative but to do so.

Those charged with governance (the Audit Committee) are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material disclosure in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities for business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit, and form our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to affect our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2023 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonable be expected to outweigh the public interest benefits of such communication.
