### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in out audit of the consolidated financial statements for the year ended December 31, 2022. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and un forming out opinion thereon, and we do not provide a separate opinion on these matters. Key audit matters for the Group's consolidated financial statements for the year ended December 31, 2022 are stated as follows:

1. Revenue recognition
Please refer to Note 4 (14) "revenue recognition" and for more details please refer
to Note 6 (18) "revenue from contracts with customers" of the consolidated
financial statement.

Description of the key audit matters:

The revenue from polyester yarn, polyester processing silk, Tetoron and plain weave fabric products is the main source of operating revenue of Yi Jinn Industrial Co., Ltd., and the risk is in the authenticity of revenue recognition. Because the operating revenue is highly affected by the economic fluctuations, the test of revenue recognition is determined as one of the key audit items for the accountant to audit the financial reports of Yi Jinn Industrial Co., Ltd.

How the matter was addressed in our audit:

Our audit procedures for the above critical review items included understanding the controls over the sales and receipts cycle and reconciling the sales system information with the general ledger; we tested the sales transactions for the period before and after the end of the year, reviewed the evidence of transfer of control of the goods to the buyer, and verified the correctness of the revenue recognition period in order to assess whether the revenue recognition policy of Yi Jinn Industrial Co., Ltd., was in accordance with the relevant standards.

### 2. Inventory valuation

For accounting policies related to inventory evaluation, please refer to Note 4 (8) Inventory Recognition in the consolidated financial report; For the uncertainty of accounting estimates and assumptions in inventory evaluation, please refer to Note 5 (2) of the consolidated financial report for details; For the description of inventory evaluation, please refer to Note 6 (5) inventory of consolidated financial report. Description to the key audit matters:

Due to the fluctuation of international raw material prices and market supply and demand, the Group's inventory price and sales volume may fluctuate sharply, resulting in the risk that the inventory cost may exceed its net realizable value Therefore, we determined that the assessment of inventory valuation is a key audit matter.

How the matter was addressed in our audit:

Our principal audit procedures included: understand the management's inventory management and evaluation policies and whether such policies were performed in actual inventory management and evaluation; carry out the audit procedure to compare the net realizable value adopted by the management with the latest inventory sales price, and evaluate the rationality of the net realizable value of inventory; implement sampling procedure to check the correctness of stock age statement and evaluate the adequacy of inventory allowance of the Group on the financial reporting date.

#### Other Matter

We have also audited the parent company only financial statements of Yi Jinn Industrial Corp., Limited as of and for the years ended December 31, 2022 and 2021 on which we have issued an unmodified opinion.

# Responsibilities of Management and those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statement in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the IFRS, IAS, IFRIC, and SIC endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable

the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operation, or has no realistic alternative but to do so.

Those charged with governance (the Audit Committee) are responsible for overseeing the Group's financial reporting process.

# **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material disclosure in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of

7. the entities for business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit, and form our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to affect our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2022 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonable be expected to outweigh the public interest benefits of such communication.
